**PLANNING STANDARDS FOR PROPOSED**

**LAND USE AND ZONING REGULATIONS APPLICABLE**

**Architectural Site Plan Checklist**

| Parcels | Site Plan Information (Ch. 19.10) | Met | Not Met |
|---|---|---|---|
| Parcel Boundaries: Show all property lines and dimensions. | Legend | ☐ | ☐ |
| Area (sq. ft.): Calculate and show the total square footage of the parcel. | Scale and North Arrow | ☐ | ☐ |
| Area (acres): Calculate and show the total acreage of the parcel. | Location Map | ☐ | ☐ |
| | Vicinity Map | ☐ | ☐ |
| | Topography | Met | Not Met |
| | Existing Contours (2-foot intervals) | ☐ | ☐ |
| | Proposed Grading (Cut & Fill Areas, Earthwork) | ☐ | ☐ |

**SITE PLAN**

**AGRICULTURAL PRODUCTS PROCESSING AND STORAGE FACILITY**

**ARCHITECTURAL DRAWINGS**

**Architectural Floor Plan Checklist**

| Floor Plan Information | Dimensions |
|---|---|
| Scale: Indicate the scale used (e.g., 1/4" = 1'-0"). | Overall Dimensions: Show overall dimensions of the building. |
| Dimensions: Show all dimensions, including wall lengths, room sizes, and overall dimensions. | Room Dimensions: Show dimensions of each room. |
| Walls and Partitions | Door and Window Dimensions: Show dimensions of doors and windows. |
| Walls: Show all walls, including load-bearing and non-load-bearing walls. | Wall Thickness: Show wall thickness. |
| Doors: Show all doors, including entry doors, interior doors, and sliding doors. | Door and Window Schedules: Provide schedules for doors and windows. |
| Windows: Show all windows, including fixed windows, casement windows, and skylights. | |
| Openings: Show all openings, including doorways and archways. | |

**Architectural Roof Plan Checklist**

| Roof Plan Information | Roof Structure | Met | Not Met |
|---|---|---|---|
| Roof Outline: Show the outline of the roof, including all edges and corners. | Roof Type: Indicate the type of roof (e.g., gable, hip, flat, shed). | ☐ | ☐ |
| Roof Slope: Indicate the slope of the roof (e.g., 4:12, 6:12). | Roof Pitch: Indicate the roof pitch (e.g., 4:12, 6:12). | ☐ | ☐ |
| Roof Overhangs: Show the overhangs of the roof, including dimensions. | Roof Framing: Show the roof framing, including rafters, trusses, and purlins. | ☐ | ☐ |
| Roof Drainage: Show the roof drainage system, including gutters, downspouts, and scuppers. | Roof Sheathing: Indicate the roof sheathing material. | ☐ | ☐ |
| Roof Penetrations: Show all roof penetrations, including vents, chimneys, and skylights. | Roof Insulation: Indicate the roof insulation material and thickness. | ☐ | ☐ |
| Roof Flashing: Show the roof flashing, including dimensions and material. | Roof Ventilation: Show the roof ventilation system, including vents and fans. | ☐ | ☐ |
| Roof Access: Indicate the roof access, including ladders and hatches. | Roof Safety: Indicate the roof safety features, including railings and guardrails. | ☐ | ☐ |
| Roof Equipment: Show the roof equipment, including HVAC units and solar panels. | Roof Maintenance: Indicate the roof maintenance requirements. | ☐ | ☐ |

**Architectural Elevation Checklist**

| Elevation Information | Dimensions | Met | Not Met |
|---|---|---|---|
| Scale: Indicate the scale used (e.g., 1/4" = 1'-0"). | Overall Dimensions: Show overall dimensions of the building. | ☐ | ☐ |
| Exterior Walls: Show all exterior walls, including materials and finishes. | Wall Thickness: Show wall thickness. | ☐ | ☐ |
| Windows: Show all windows, including fixed windows, casement windows, and skylights. | Window Dimensions: Show dimensions of windows. | ☐ | ☐ |
| Doors: Show all doors, including entry doors, interior doors, and sliding doors. | Door Dimensions: Show dimensions of doors. | ☐ | ☐ |
| Roof: Show the roof, including roof type, slope, and overhangs. | Roof Dimensions: Show dimensions of the roof. | ☐ | ☐ |
| Foundation: Show the foundation, including footings and slab. | Foundation Dimensions: Show dimensions of the foundation. | ☐ | ☐ |
| Grade: Show the grade, including slope and drainage. | Grade Dimensions: Show dimensions of the grade. | ☐ | ☐ |
| Materials: Indicate the materials used, including siding, roofing, and trim. | Material Quantities: Indicate the quantities of materials used. | ☐ | ☐ |
| Finishes: Indicate the finishes used, including paint, stain, and varnish. | Finish Quantities: Indicate the quantities of finishes used. | ☐ | ☐ |
| Colors: Indicate the colors used, including exterior and interior colors. | Color Schedules: Provide schedules for colors used. | ☐ | ☐ |
| Textures: Indicate the textures used, including smooth, rough, and patterned. | Texture Schedules: Provide schedules for textures used. | ☐ | ☐ |
| Lighting: Indicate the lighting fixtures used, including exterior and interior lighting. | Lighting Schedules: Provide schedules for lighting fixtures used. | ☐ | ☐ |
| Signage: Indicate the signage used, including exterior and interior signage. | Signage Schedules: Provide schedules for signage used. | ☐ | ☐ |
| Landscaping: Indicate the landscaping used, including trees, shrubs, and plants. | Landscaping Schedules: Provide schedules for landscaping used. | ☐ | ☐ |
| Hardscaping: Indicate the hardscaping used, including paths, patios, and walls. | Hardscaping Schedules: Provide schedules for hardscaping used. | ☐ | ☐ |
| Utilities: Indicate the utilities used, including electrical, plumbing, and HVAC. | Utility Schedules: Provide schedules for utilities used. | ☐ | ☐ |
| Accessibility: Indicate the accessibility features, including ramps, railings, and elevators. | Accessibility Schedules: Provide schedules for accessibility features used. | ☐ | ☐ |
| Safety: Indicate the safety features, including fire alarms, sprinklers, and emergency lighting. | Safety Schedules: Provide schedules for safety features used. | ☐ | ☐ |
| Security: Indicate the security features, including cameras, alarms, and access control. | Security Schedules: Provide schedules for security features used. | ☐ | ☐ |
| Maintenance: Indicate the maintenance requirements, including cleaning and repair. | Maintenance Schedules: Provide schedules for maintenance requirements. | ☐ | ☐ |
| Sustainability: Indicate the sustainability features, including energy efficiency and water conservation. | Sustainability Schedules: Provide schedules for sustainability features used. | ☐ | ☐ |
| Compliance: Indicate the compliance with building codes and regulations. | Compliance Schedules: Provide schedules for compliance with building codes and regulations. | ☐ | ☐ |

**ARCHITECTURAL PLANS**

**Architectural Site Plan Checklist**

| Site Plan Information | Site Plan Information | Met | Not Met |
|---|---|---|---|
| Property Boundaries: Show all property lines and dimensions. | Legend | ☐ | ☐ |
| Area (sq. ft.): Calculate and show the total square footage of the property. | Scale and North Arrow | ☐ | ☐ |
| Area (acres): Calculate and show the total acreage of the property. | Location Map | ☐ | ☐ |

| Textures: Indicate the textures used, including smooth, rough, and patterned. | Texture Schedules: Provide schedules for textures used. | ☐ | ☐ |
| Lighting: Indicate the lighting fixtures used, including exterior and interior lighting. | Lighting Schedules: Provide schedules for lighting fixtures used. | ☐ | ☐ |
| Signage: Indicate the signage used, including exterior and interior signage. | Signage Schedules: Provide schedules for signage used. | ☐ | ☐ |
| Landscaping: Indicate the landscaping used, including trees, shrubs, and plants. | Landscaping Schedules: Provide schedules for landscaping used. | ☐ | ☐ |
| Hardscaping: Indicate the hardscaping used, including paths, patios, and walls. | Hardscaping Schedules: Provide schedules for hardscaping used. | ☐ | ☐ |
| Utilities: Indicate the utilities used, including electrical, plumbing, and HVAC. | Utility Schedules: Provide schedules for utilities used. | ☐ | ☐ |
| Accessibility: Indicate the accessibility features, including ramps, railings, and elevators. | Accessibility Schedules: Provide schedules for accessibility features used. | ☐ | ☐ |
| Safety: Indicate the safety features, including fire alarms, sprinklers, and emergency lighting. | Safety Schedules: Provide schedules for safety features used. | ☐ | ☐ |
| Security: Indicate the security features, including cameras, alarms, and access control. | Security Schedules: Provide schedules for security features used. | ☐ | ☐ |
| Maintenance: Indicate the maintenance requirements, including cleaning and repair. | Maintenance Schedules: Provide schedules for maintenance requirements. | ☐ | ☐ |
| Sustainability: Indicate the sustainability features, including energy efficiency and water conservation. | Sustainability Schedules: Provide schedules for sustainability features used. | ☐ | ☐ |
| Compliance: Indicate the compliance with building codes and regulations. | Compliance Schedules: Provide schedules for compliance with building codes and regulations. | ☐ | ☐ |

**ENGINEERING PLANS**

**Structural Engineering Checklist**

| Structural Information | Dimensions | Met | Not Met |
|---|---|---|---|
| Foundation: Show the foundation, including footings and slab. | Foundation Dimensions: Show dimensions of the foundation. | ☐ | ☐ |
| Walls: Show all walls, including load-bearing and non-load-bearing walls. | Wall Thickness: Show wall thickness. | ☐ | ☐ |
| Roof: Show the roof, including roof type, slope, and overhangs. | Roof Dimensions: Show dimensions of the roof. | ☐ | ☐ |
| Beams: Show all beams, including steel and concrete beams. | Beam Dimensions: Show dimensions of beams. | ☐ | ☐ |
| Columns: Show all columns, including steel and concrete columns. | Column Dimensions: Show dimensions of columns. | ☐ | ☐ |
| Slabs: Show all slabs, including concrete slabs. | Slab Dimensions: Show dimensions of slabs. | ☐ | ☐ |
| Reinforcement: Show all reinforcement, including rebar and mesh. | Reinforcement Dimensions: Show dimensions of reinforcement. | ☐ | ☐ |
| Connections: Show all connections, including welds and bolts. | Connection Dimensions: Show dimensions of connections. | ☐ | ☐ |
| Loads: Indicate all loads, including dead loads and live loads. | Load Calculations: Provide calculations for loads. | ☐ | ☐ |
| Materials: Indicate the materials used, including steel and concrete. | Material Quantities: Indicate the quantities of materials used. | ☐ | ☐ |

**Mechanical Engineering Checklist**

| Mechanical Information | Dimensions | Met | Not Met |
|---|---|---|---|
| HVAC: Show the HVAC system, including heating and cooling. | HVAC Dimensions: Show dimensions of HVAC equipment. | ☐ | ☐ |
| Ventilation: Show the ventilation system, including fans and ducts. | Ventilation Dimensions: Show dimensions of ventilation equipment. | ☐ | ☐ |
| Plumbing: Show the plumbing system, including pipes and fixtures. | Plumbing Dimensions: Show dimensions of plumbing equipment. | ☐ | ☐ |
| Electrical: Show the electrical system, including wiring and lighting. | Electrical Dimensions: Show dimensions of electrical equipment. | ☐ | ☐ |
| Fire Protection: Show the fire protection system, including sprinklers and alarms. | Fire Protection Dimensions: Show dimensions of fire protection equipment. | ☐ | ☐ |
| Elevators: Show the elevators, including elevator shafts and equipment. | Elevator Dimensions: Show dimensions of elevator equipment. | ☐ | ☐ |
| Escalators: Show the escalators, including escalator shafts and equipment. | Escalator Dimensions: Show dimensions of escalator equipment. | ☐ | ☐ |
| Conveyors: Show the conveyors, including conveyor belts and equipment. | Conveyor Dimensions: Show dimensions of conveyor equipment. | ☐ | ☐ |
| Boilers: Show the boilers, including boiler rooms and equipment. | Boiler Dimensions: Show dimensions of boiler equipment. | ☐ | ☐ |
| Chillers: Show the chillers, including chiller rooms and equipment. | Chiller Dimensions: Show dimensions of chiller equipment. | ☐ | ☐ |

**Electrical Engineering Checklist**

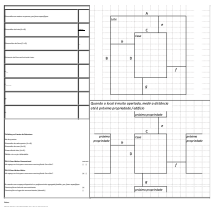
| Electrical Information | Dimensions | Met | Not Met |
|---|---|---|---|
| Power: Show the power system, including electrical panels and wiring. | Power Dimensions: Show dimensions of power equipment. | ☐ | ☐ |
| Lighting: Show the lighting system, including fixtures and wiring. | Lighting Dimensions: Show dimensions of lighting equipment. | ☐ | ☐ |
| Grounding: Show the grounding system, including grounding rods and wiring. | Grounding Dimensions: Show dimensions of grounding equipment. | ☐ | ☐ |
| Lightning Protection: Show the lightning protection system, including rods and wiring. | Lightning Protection Dimensions: Show dimensions of lightning protection equipment. | ☐ | ☐ |
| Emergency Power: Show the emergency power system, including generators and wiring. | Emergency Power Dimensions: Show dimensions of emergency power equipment. | ☐ | ☐ |
| Fire Alarm: Show the fire alarm system, including detectors and wiring. | Fire Alarm Dimensions: Show dimensions of fire alarm equipment. | ☐ | ☐ |
| Security: Show the security system, including cameras and wiring. | Security Dimensions: Show dimensions of security equipment. | ☐ | ☐ |
| Communication: Show the communication system, including phones and wiring. | Communication Dimensions: Show dimensions of communication equipment. | ☐ | ☐ |
| Data: Show the data system, including computers and wiring. | Data Dimensions: Show dimensions of data equipment. | ☐ | ☐ |
| Audio-Visual: Show the audio-visual system, including speakers and wiring. | Audio-Visual Dimensions: Show dimensions of audio-visual equipment. | ☐ | ☐ |

**Plumbing Engineering Checklist**

| Plumbing Information | Dimensions | Met | Not Met |
|---|---|---|---|
| Water Supply: Show the water supply system, including pipes and fixtures. | Water Supply Dimensions: Show dimensions of water supply equipment. | ☐ | ☐ |
| Drainage: Show the drainage system, including pipes and fixtures. | Drainage Dimensions: Show dimensions of drainage equipment. | ☐ | ☐ |
| Vent: Show the vent system, including pipes and fixtures. | Vent Dimensions: Show dimensions of vent equipment. | ☐ | ☐ |
| Gas: Show the gas system, including pipes and fixtures. | Gas Dimensions: Show dimensions of gas equipment. | ☐ | ☐ |
| Fire Protection: Show the fire protection system, including sprinklers and alarms. | Fire Protection Dimensions: Show dimensions of fire protection equipment. | ☐ | ☐ |
| Elevators: Show the elevators, including elevator shafts and equipment. | Elevator Dimensions: Show dimensions of elevator equipment. | ☐ | ☐ |
| Escalators: Show the escalators, including escalator shafts and equipment. | Escalator Dimensions: Show dimensions of escalator equipment. | ☐ | ☐ |
| Conveyors: Show the conveyors, including conveyor belts and equipment. | Conveyor Dimensions: Show dimensions of conveyor equipment. | ☐ | ☐ |
| Boilers: Show the boilers, including boiler rooms and equipment. | Boiler Dimensions: Show dimensions of boiler equipment. | ☐ | ☐ |
| Chillers: Show the chillers, including chiller rooms and equipment. | Chiller Dimensions: Show dimensions of chiller equipment. | ☐ | ☐ |

**Civil Engineering Checklist**

| Civil Information | Dimensions | Met | Not Met |
|---|---|---|---|
| Site Plan: Show the site plan, including property lines and dimensions. | Site Plan Dimensions: Show dimensions of site plan. | ☐ | ☐ |
| Grading: Show the grading plan, including cut and fill areas. | Grading Dimensions: Show dimensions of grading plan. | ☐ | ☐ |
| Drainage: Show the drainage plan, including pipes and fixtures. | Drainage Dimensions: Show dimensions of drainage plan. | ☐ | ☐ |
| Utilities: Show the utilities plan, including pipes and fixtures. | Utilities Dimensions: Show dimensions of utilities plan. | ☐ | ☐ |
| Roads: Show the roads plan, including pavement and curbs. | Roads Dimensions: Show dimensions of roads plan. | ☐ | ☐ |
| Parking: Show the parking plan, including parking spaces and aisles. | Parking Dimensions: Show dimensions of parking plan. | ☐ | ☐ |
| Landscaping: Show the landscaping plan, including trees and plants. | Landscaping Dimensions: Show dimensions of landscaping plan. | ☐ | ☐ |
| Hardscaping: Show the hardscaping plan, including paths and walls. | Hardscaping Dimensions: Show dimensions of hardscaping plan. | ☐ | ☐ |
| Utilities: Show the utilities plan, including pipes and fixtures. | Utilities Dimensions: Show dimensions of utilities plan. | ☐ | ☐ |
| Accessibility: Show the accessibility plan, including ramps and railings. | Accessibility Dimensions: Show dimensions of accessibility plan. | ☐ | ☐ |



Scale:

Note: [illegible]
